**EXPERIENCE**

**HTV (Ho Chi Minh City Radio and Television)**  
**UXUI & Graphic Designer**

2024 – 2025

**JDO GROUP**  
**Product Designer**

2025 – Present

- Designed B2B SaaS and enterprise products across AI, fintech, payment, IoT, GIS, education and retail.
- Translated business requirements into information architecture, user flows, prototypes and high-fidelity UI.
- Designed complex workflows across dashboards, roles, permissions, transactions, assets, devices and operational data.
- Collaborated with Product, BA, Engineering, banking partners and enterprise clients; built reusable Design System components and patterns from concept to handoff.

**HIGHLIGHT PROJECTS**

**Thu Vien Phap Luat**  
**Legal AI • Case Study**

Case study based on a Legal AI hiring brief; researched legal workflows and designed an AI workspace concept.

**AI Sales Assistant**

AI consultation, recommendations, cart, quotation and contract workflows **(NDA)**.
